Dress code and other details:
- Choir t-shirts and ideally block colours that fit with our logo eg blue, pink, purple, white. We'll be outside though so being warm enough is of primary importance!
- Music neatly in a folder please, a choir folder or something else - doesn't matter what colour but ideally block colour and fitting with our logo colours
- Just us performing at this one (ie it's not a collaboration with Beckenham Acappella or Crib Notes Choir this time)

Please join the Events chat within Palace Acappella community on WhatsApp and I'll keep you updated there. If you get stuck at all or have questions please post them in that group on the day so someone who knows the answer can respond quickly.

We're singing to commuters heading home, plus any friends/family you want to invite to listen. I'll book a space in the Great Southern pub after for a social.
