- Just us performing at this one (ie it's not a collaboration with Beckenham Acappella or Crib Notes Choir this time)

Please join the Events chat within Palace Acappella community on WhatsApp and I'll keep you updated there. If you get stuck at all or have questions please post them in that group on the day so someone who knows the answer can respond quickly.

Lovely market, usually food and goods stalls, so a nice place to be, family friendly, and probably great for some present shopping in between performances. Feel free to invite people along to listen.
