DURATION: 3'45" approx.

Everyone Sang

**Everyone suddenly burst out singing;
And I was filled with such delight
As prisoned birds must find in freedom,
Winging wildly across the white
Orchards and dark-green fields; on - on - and out of sight.**

**Everyone's voice was suddenly lifted;
And beauty came like the setting sun:
My heart was shaken with tears; and horror
Drifted away ... O, but Everyone
Was a bird; and the song was wordless; the singing will never be done.**

Poem by Siegfried Sassoon (text used with permission). Music by Edmund Jolliffe.

Everyone Sang was commissioned by Patricia McLean for the Palace Acappella Choir.

Though the time signature frequently changes, the tempo remains the same throughout, unless otherwise indicated. For ease of reading where changes occur between 6/8 and 3/4, one time signature has been used and the grouping altered.
